

Examination	University	Institute	Year	CGPA (%)
Graduation	Anna University	Karpagam College of Engineering, Coimbatore.	2026	8.16
HSC	State Board	Sri Ramakrishna Matric Higher Secondary School, Perambalur.	2022	92.5%
SSLC	State Board	Sri Ramakrishna Matric Higher Secondary School, Perambalur.	2020	99%

SKILL SUMMARY

- **Programming Languages:** Java, Python, C
- **Web Development:** HTML, CSS, JavaScript
- **Database Management:** MySQL, MongoDB
- **Frameworks:** Springboot, Bootstrap
- **Problem Solving:** Data Structures, Algorithms, Debugging
- **Tools and Technologies:** Git, GitHub, Visual Studio Code, Eclipse
- **Soft Skill:** Communication, Team Management, Leadership, Creativity, Teamwork and Collaboration

KEY PROJECTS

Laundry Management Portal – Full Stack Web Application

[Sep'2026]

- Developed a comprehensive Laundry Management Portal to streamline laundry service bookings, order management, and customer enquiries.
- Designed a responsive and user-friendly interface for customers to place laundry orders and submit service enquiries conveniently.
- Implemented backend REST APIs for processing orders and enquiries, with reliable data storage and retrieval using a relational database.
- **Tech Stack:** HTML, CSS, JavaScript, Java, Spring Boot, MySQL.

On Duty Management System

[Mar'2026]

- Developed a comprehensive Duty Management System to streamline task scheduling, allocation, and progress tracking, improving team coordination and operational efficiency.
- Designed a responsive and intuitive interface for easy duty assignments, status monitoring, and real-time updates, ensuring smooth communication among team members.
- Implemented robust backend functionalities for secure data handling, storage, retrieval, supporting efficient management of duty records and reports.
- **Tech Stack:** HTML, CSS, Bootstrap, MySQL, PHP

CERTIFICATIONS

- Javascript , SQL On HackerRank [Nov'25]
- Web Development On CodSoft [Internship] [Oct ' 24]
- IIT Spoken tutorial Course on Java [May'24]
- IIT Spoken tutorial Course on Python [Mar '24]
- Full Stack Development On Infosys SpringBoard [Aug '24]
- Java Programming On Great Learning [Aug '24]
- Introduction to MongoDB [Aug '24]
